A renewal of Marriage vows ceremony is for married couples who wish to celebrate in a unique and personal way their original vows to each other, their married years together and also to renew their commitment to one another.

This ceremony is often associated with a special Marriage anniversary, such as the tenth, twenty-fifth, fortieth etc. but they do not have to be, and can be the precursor to a party or celebration. More and more married couples are choosing to renew their Marriage vows.

For some it is a unique opportunity to celebrate a special anniversary. For others it helps to confirm their commitment to each other. For many it is just a personal statement of their love for each other.

Renewing your marriage vows can be just as appropriate for couples at any stage of their marriage. It may be particularly relevant to those who have been through a period of unsettlement, which has put a strain on their relationship, and now wish to celebrate their renewed love and commitment.

Where couples have married abroad, often with few family and friends with them, they can on their return home feel a need for some form of ceremony which a wider circle of family and friends can share. A Renewal of Marriage Vows ceremony can provide the answer.

As a licensed venue Salomons can host Renewal of Vows ceremonies in any one of its delightful Function rooms or indeed outside on the terrace or in the picturesque gardens.

Ceremony conducted either in the Gold Room or Conservatory on the terrace or in the gardens **£300.00**
